

Site Orientation Field Data Sheet

Name of person completing form

Site Number

Signature:

Site Name:		Date registered: dd/mm/yy	
Location Name:		Latitude	
		Longitude	
Other Map & Grid Ref: Area/Catchment		GPS coordinates	
Land Ownership/Management:			
Permission of Land Owner/Manager; (Yes/No)		Site Map Reference/Community Land Plan:	
Council Zoning:			
Infrastructure on site: (e.g. Sewer lines/mains, Powerlines, Gas mains, etc.)			
Heritage Values			
Aboriginal or European: (Yes/No/Unsure) Has the local Aboriginal Land Council been consulted? (Yes/No)			
Has the Council Heritage Officer been consulted? (Yes/No) Has the NPWS been consulted? (Yes/No)			
Habitat Type: please circle			
River bank	Wetland	Floodplain	Drainage line
Open Forest	Closed Forest	Rainforest	Disturbed / Grazed (Livestock)
Shrub(2-4m)	Heath (< 2m)	Grassland	Other:
Position on Slope :please circle			Altitude in metres
Watercourse	Flat	Lower Slope	Upper Slope
		Crest	Dune
Geology		Aspect: please circle	
		N NE E SE S SW W NW	
Soil Description			
Colour	Type	pH	Sand
			Clay Loam
Vegetation Description			
Vegetation community, association, type		Weed Invasion: <i>please circle</i>	
		High Medium Low	
Dominant upper storey species		Species diversity: <i>please circle</i>	
		High Medium Low	
Dominant middle storey species		Species diversity: <i>please circle</i>	
		High Medium Low	
Dominant lower storey/groundcover species		Species diversity: <i>please circle</i>	
		High Medium Low
