**GREEN EVENTS**  
**1ST SUNDAY CLEAN UP**  
**AUSTRALIA DAY**  
**END OF MARCH IS THE**  
**AUTUMN WATER BUG**  
**SURVEY**

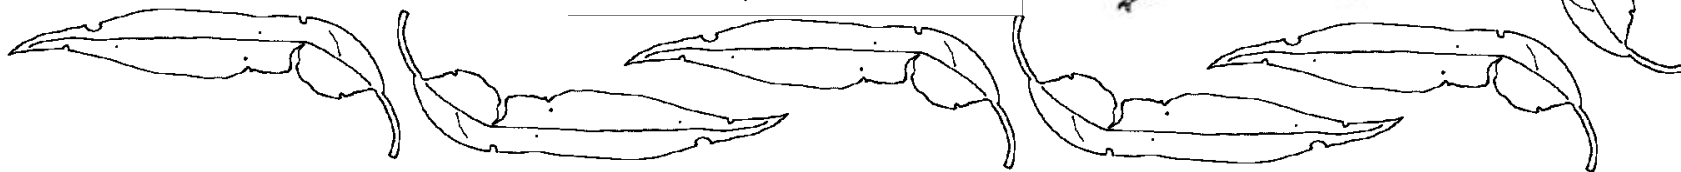

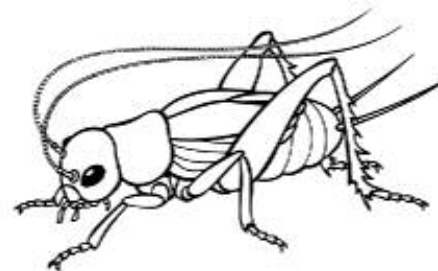

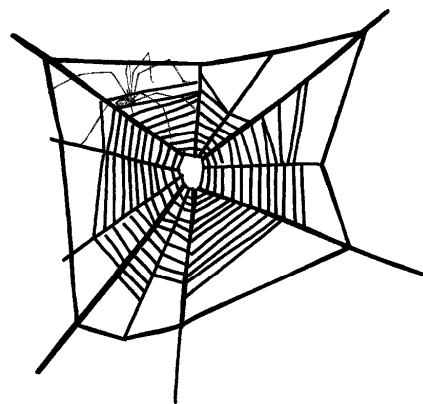

Brushtail Possum

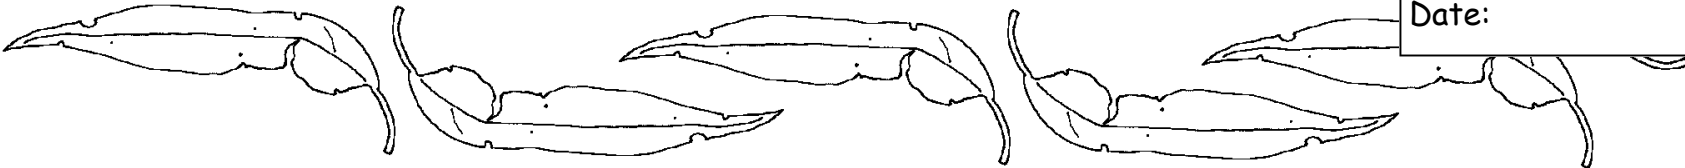

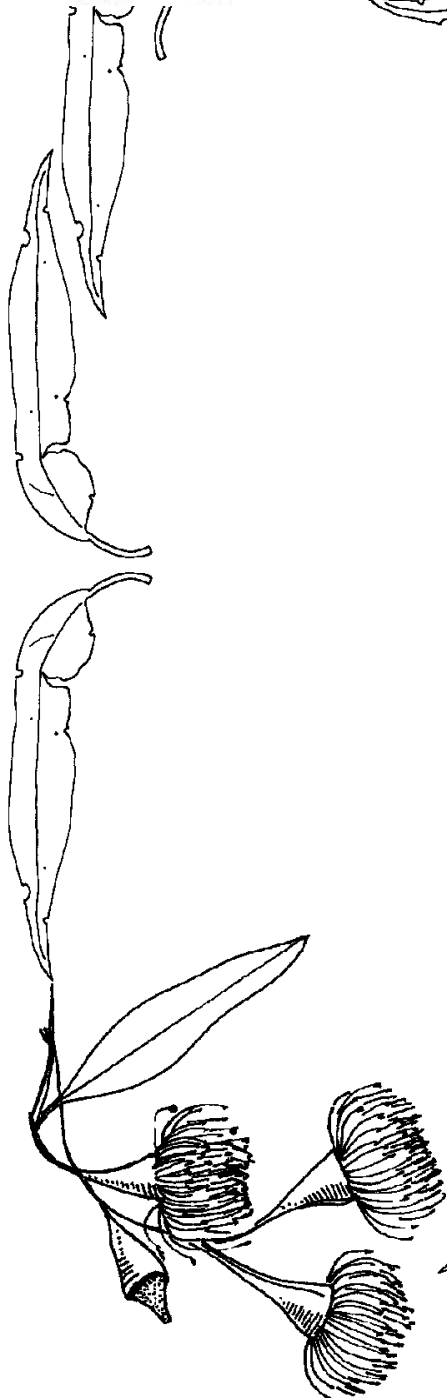

- \* Leaf curling spiders are active
- \* Crickets call at night
- \* Brush tailed possums have the first of their two litters of babies for the year
- \* Orb weaver spiders are about
- \* Spotted Gums are flowering. They are important food for honey eaters, flying foxes and lorikeets
- \* Camphor Laurel trees are fruiting and the Topknot pigeons eat the fruit.
