Trees In Newcastle is an incorporated community association with an environmental focus. We welcome new members. By becoming a member, you agree to support TIN's vision, mission and objectives set out in our constitution.

Our Vision

To be a thriving community organisation that is recognised nationally for our contribution to improved biodiversity and vegetation cover.

Our Mission

To protect and enhance local native vegetation and support people with a passion for plants.

Our Objectives

The objectives for which the Association is established are:

- a) the planting, regeneration, conservation, maintenance and protection of trees and other plants (native) in Newcastle and its environs.
- b) to encourage Governments, businesses, community groups and individuals towards objective (a).
- c) to raise awareness within the community of the importance of objective (a).
- d) to operate by the principles of cooperation and consideration for all others and the environment and;
- e) to remain an independent Association having a non-political focus, with no alliance or allegiance to any particular party or faction.
